

WELCOME ABOARD FROM THE COMMANDING OFFICER

Congratulations on your assignment to Navy Medicine Readiness and Training Unit (NMRTU) Fallon, a branch clinic of Navy Medicine Readiness and Training Command (NMRTC) Lemoore, California. On behalf of myself, the Executive Officer, CAPT Christopher Tepera, MC, USN, and the Command Master Chief, HMCM(SW/FMF) Eliza Rubic, USN, welcome aboard! We look forward to your arrival.

Due to Fallon's remote location and limited regional medical and dental capabilities, remote duty screenings for all active duty and family members is a mandatory requirement and must be completed within 30 days of receipt of your orders.

Here at NMRTU Fallon we provide outpatient medical care to over 3,200 eligible beneficiaries and active duty Sailors assigned to Naval Air Station (NAS) Fallon and the surrounding area. We support operational carrier air wing deployment training groups and the Line Commander of Naval Air Station Fallon. Our services include: Active Duty Sick Call, Aviation Medicine, Family Medicine, General Dentistry, Laboratory, Pharmacy, Immunizations, Basic Radiography, Preventive Medicine, and Occupational Health.
